So here's the deal. This artwork is for your own personal use. That means you can print it out on your home printer and hang it on your fridge, in your office, or anywhere else that makes you happy. But please don't make tons of copies at Kinko's and sell them or anything like that. That wouldn't be cool.

If you would like to own a super high quality version of this art that's suitable for framing and whatnot, you can order one at **[www.KimandJason.com/shop](http://www.KimandJason.com/shop)**.

Thanks, and enjoy!

A handwritten signature in black ink that reads "Jason W. Cole". The signature is written in a cursive, flowing style with a large initial 'J' and a distinct 'C'.

DREAM on.
